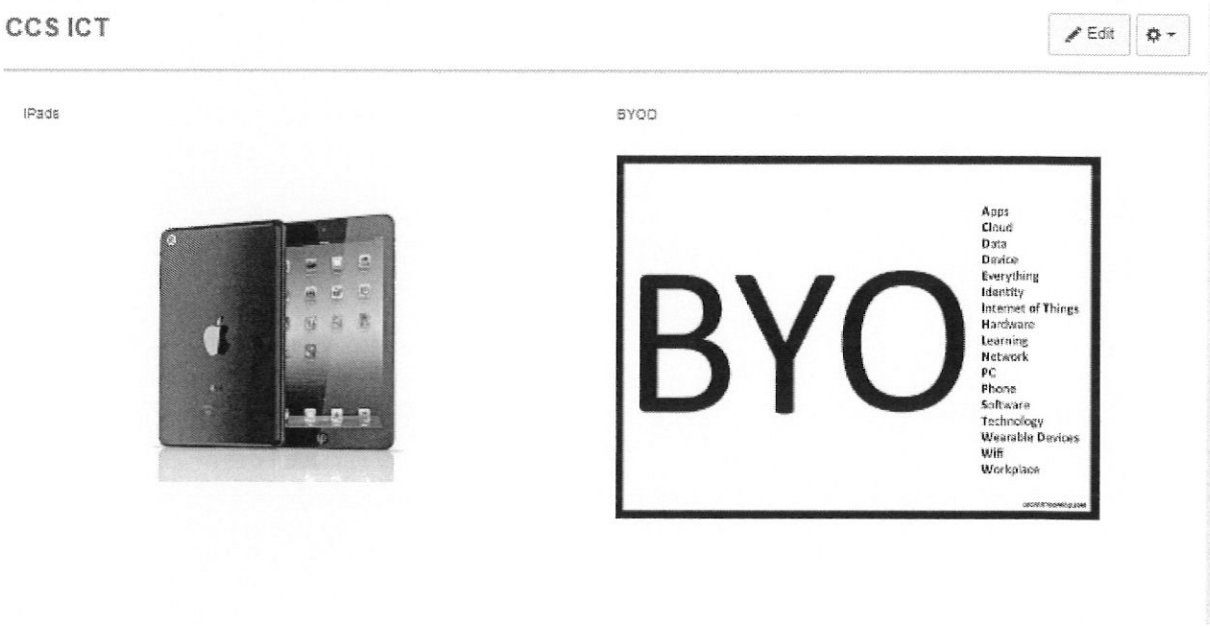
Covenant Christian School – iPad Checklist

February 2016

This document applies to all Year 7 and any new Year 8 or Year 9 students in 2016 and is provided to you as a checklist of things you will need to do to set up your Apple iPad to be used as part of the Covenant Christian School iPad Program. If this checklist is not completed in its entirety, it will impact on your iPad experience.

Step 1 From Home, access the CCS ICT Page on Canvas:
https://covenant.instructure.com/courses/1373

You will then click on the page that shows an iPad to see information relating to the iPad Program.



Step 2 The iPad page will take you through instructions to do the following:

I have done the following: (Tick the boxes when completed)

- ☐ Install the Netbox certificate – This will streamline your Internet browsing experience
- ☐ Have downloaded pdf document "How to Connect iPad to wireless"
- ☐ I have read the documentation relating to setting up an Apply id and setting up Family sharing (for users under 13)

Step 3 When you get to school, Connect your iPad to "CCS-Personal" Network using ""How to connect to school wifi" document as a guide.

If you have any problems with any of the above steps, try again and then log a Service Desk request and come to ICT Department in D24 to get help.
