## THE BURSARY FUND

The Bursary Fund enables us to confidentially offer fee assistance if financial pressure may prevent a family from either choosing, or staying at Covenant. It enables students who would otherwise miss out on a Christ-centred education to attend Covenant.

We recognise that the affordability of school fees can be a significant obstacle for many families. Increasing rent and housing prices, and ongoing living and household expenses mean that many families are already making significant sacrifices to send their children to Covenant Christian School. The sudden loss of a job, significant illness, a new baby or even a change in career can make the payment of school fees extremely difficult.

Fee assistance may only be needed for a short period of time, or for the duration of enrolment. Whatever the circumstance, we do not want financial reasons to be the reason why a Christian family chooses another school or leaves our community.

Your donation to the fully tax-deductible Bursary Fund will enable Covenant Christian School to continue making Christian education available to as many Christian families as possible.

*"It has been our conviction to give our children a Christian education and we are eternally grateful that we have been able to do this because of the school's Bursary Fund." - a family who received a Bursary in 2018.*
