Dear Parents

### Year 6 Visual Art Kits

Your child has completed their Visual Arts course for this year and they should be bringing home their black Art Kit. This kit will not be needed until next year. We therefore request that you **store it in a safe place** until then. Please note that if the Art Kit is lost or badly damaged, you may be required to purchase another kit for the continuation of your child's Visual Arts studies in the coming year.

Once their classes commence again, students may keep their Art Kits at school.

We thank you for your cooperation in assisting us in this matter.

Yours in the service of Christian education

Mrs J Wiltshire  
Visual Arts Teacher

Mrs N Conway  
Creative Arts Coordinator

Mr P Muddle  
Deputy Principal, Curriculum (7-12)
