11 April 2019

Dear Parents

### **Years 3-6 Outer Limits Day - 'Xplore'**

An exciting event will greet the children as they return to school in Term 2. Outer Limits Day, our annual enrichment day for all students, will take place on **Tuesday 30 April**, the first day of Term 2!

Our theme for this year is Xplore. We will be exploring a range of topics and activities, enjoying taking time to develop our skills, passion and knowledge. Some children are working on an all-day project, some will rotate through 3-5 shorter activities throughout the day, including an incursion.

Please ensure that your child wears their Sports uniform, has their hat and is wearing fully enclosed shoes. Water bottles and sunscreen are also very important.

We are looking forward to an amazing day of learning and fun as we 'Xplore' our world.

Yours in the service of Christian education

Mrs A Drain  
Extension and Enrichment, Junior School

Mr W Morton  
Deputy Principal, Junior School
