Dear Parents

Outer Limits Day - 'Xplore' – Shelter Building

Outer Limits Day is fast approaching. This is an exciting annual event in the Years 3 - 6 calendar at Covenant. It is an enrichment day for all students and our theme this year is Xplore. We are exploring a range of topics and activities, enjoying taking time to develop our skills, passion and knowledge. This year Outer Limits Day will be held on **Tuesday 30 April**, the first day of Term 2.

Your child has chosen **Shelter Building** for their Outer Limits Day activity. This will take place on the vacant block adjacent to the school. Please ensure that your child wears their Sports uniform, has their hat and is wearing fully enclosed shoes. Water bottles and sunscreen are also very important. Mr Russell and Mrs Watson will be accompanying the students.

We are looking for energetic parents who would like to assist our shelter builders with their design and constructions. We need parent volunteers to work with this group in the morning (9.00 - 10.30am) and in the afternoon (1.00 – 2.30pm).

Please email Amanda Drain adrain@covenant.nsw.edu.au by tomorrow, **Friday 12 April** if you would like to assist. You will need to have a Working With Children Check and a Volunteer Code of Conduct Form submitted to the School Office.

Yours in the service of Christian education
